Memo for Reard

OLC: 78-0683 1 5 FEB 1978

MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM:

Acting Legislative Counsel

SUBJECT:

Breakfasts for Members of Congress

In your recent conversation with Representative John Brademas (D., Ind.), the subject of breakfasts for members of Congress was discussed as one means of improving Agency relations. We have found that such get-togethers are very useful in acquainting new members to the Agency and for one-on-one situations. Representative Brademas' offer to get congenial members together is an opportunity we should not pass up. We will be happy to pursue the matter with him or to discuss it further with you.
